My dear Aunt:

I have decided to take no further part in any controversy between the members of the Edgerton family. I have too many cares of my own. But one word however - whatever my wife says or does right or wrong by the standard of others, is right right one.

Sincerely Yours
Fred

Dear Sir:-

We are in receipt of yours of the 4th inst selecting loans # 6830 and 5921 for $300 each. We had # 6830 on hand but have had three or four different orders for # 5921 before we received yours, so that we will not be able to give you the latter loan, but we have a good loan that we can substitute for same viz # 6579 for $300 bearing interest from April 1, 1905 due April 1, 1910 secured by 80 acres of Ford Co., Ill. land appraised at $8500.

There are two notes of $1200 and $800 in this loan secured by one trust deed on land described above. The borrower has paid $500 on this $800 note reducing it to $300, so that the total amount of loan is now $1500 instead of $2000. The borrower is an old customer of ours and is very prompt and reliable in every way, and we would consider his personal note good for $300 without any security, so there is no question about this loan being gilt edged.

We have made out a statement of these two loans and enclose same herewith. The accrued interest amounts to $3.50, and on receipt of $603.50 we will assign papers in both of these loans and forward to you promptly. We consider this loan just as good as # 5921 you selected from our list.

It is impossible to always give the loans selected, as we have so many orders for the same loan on the list, but as stated we can always substitute a loan which will give just as good satisfaction, if we are given these instructions.

Yours truly,

A. Goodell & Sons Co.,

Dear Sir:-

We are in receipt of yours of the 12th inst enclosing draft for 603.50 in payment of the following loans, papers in which we enclose,-

6579 Malburn S. Barker $300 bearing interest from April 1, 1905 due April 1, 1910 with optional payments on any interest paying date, secured by 80 acres of Ford Co., Ill. land appraised at $8500,

✓ 1 copy of application
✓ 1 principal note of $800 on which $500 has been indorsed and
✓ 5 interest coupons reduced to $15.00 each all indorsed to you netting 5%
✓ 1 trustee's certificate shwing this mortgage to be a first lien on the land described.

There are two notes amounting to $2000, one of which $800 (on which payment of $500 has been made) we send to you. This is a first lien on the land. The trust deed secures both notes, there being no priority of one note over the other both being first liens.

The trustee simply acts for the holders of these notes and releases the mortgage when the notes have been fully paid and discharged.

Also papers in loan # 6830 James Kirkwood $300 bearing interest from Feby 1, 1905 due Feby 1, 1908 with optional payments of $100 or any multiple on any interest date, secured by lot in Loda with a business house thereon appraised at $900. Papers are as follows:

✓ 1 application
✓ 1 principal note $300
✓ 3 interest notes of $18.00 each indorsed to net you 5 1/2 %
✓ 1 trust deed and
✓ 1 abstract of title in 2 sections.

The insurance policy we have placed in the vault and hold here for your benefit. Kindly acknowledge receipt of papers. You can rely on both of these loans being just as represented and we consider them gilt edged security for amount loaned. Thanking you for favors shown the firm and soliciting your further business whenever you wish to make an investment in this line.

Yours truly,
